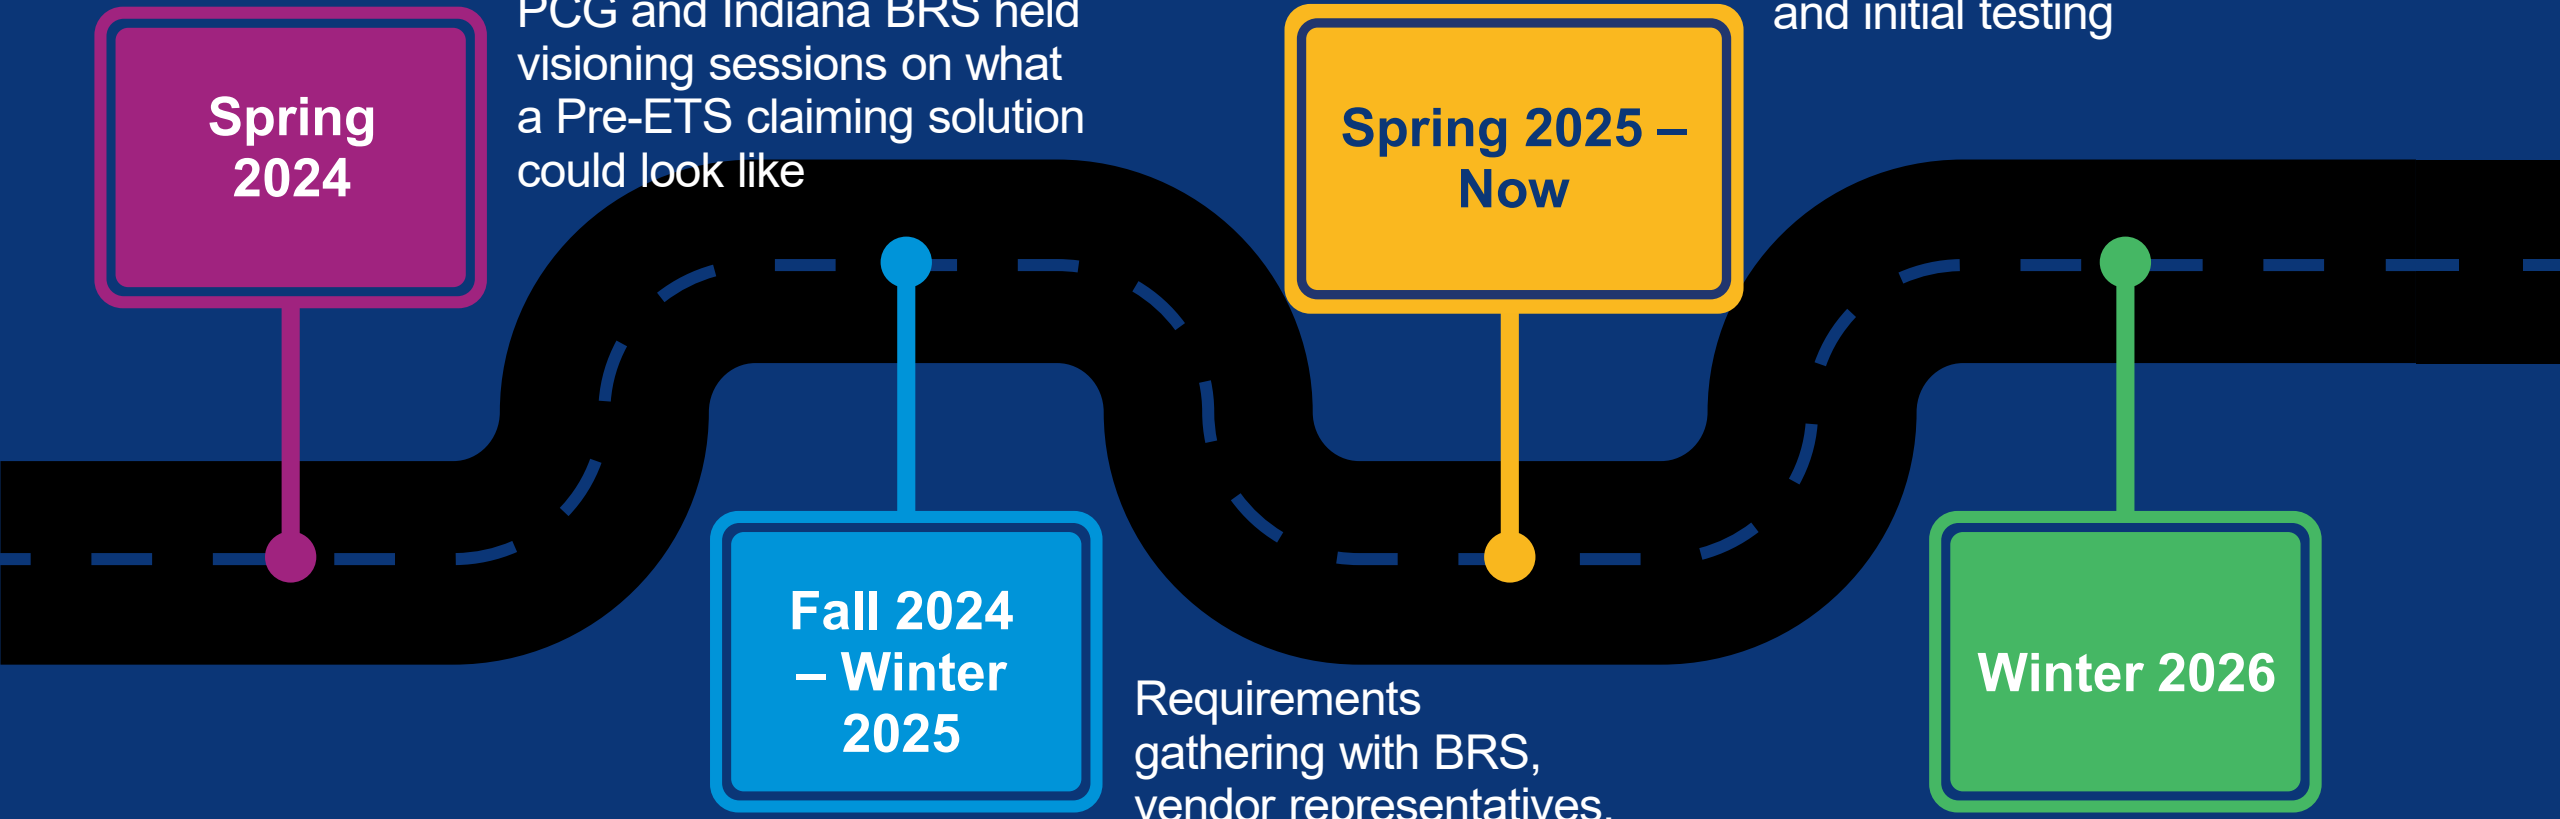
# Agenda

- Overview: Pre-ETS Claiming System Enhancements
- Live Demonstration of Pre-ETS Authorizations, Service Logging, and Claiming
- Wrap Up & Next Steps

# The Journey To This Point -



# Objectives of New System Design

1. Reducing Administrative burden of Pre-ETS logging & claiming
2. Provide a single-system for vendors who claim both Pre-ETS and traditional VR services
3. Integrations with the AWARE Case Management System

# Main Components of the Pre-ETS System Enhancements

| Pre-ETS Group Authorizations | Service Logging | Pre-ETS Group Claiming | Participant Record |
|---|---|---|---|
| • Group authorizations per vendor / school per Pre-ETS service<br>• Logging & claiming will happen at the group authorization level<br>• Group authorizations will be amended as new students are authorized for services | • New service logging functionality to note dates of service, duration, participants, etc.<br>• Ability to log group services<br>• Service logging information will feed automatically to the claiming module | • Claims will be created monthly and will be at group-authorization level<br>• Pull in participants / units / procedure code information from service log<br>• Utilizing existing claims reports & dashboards in VR-CPS | • New fields found on participant record specific to Pre-ETS<br>• Expected graduation date field<br>• New Participant Demographic Report |

# Pre-ETS Enhancements System Demonstration

# Next Steps - Preparing for Pre-ETS Claiming Implementation

01

## Review the Vendor Prep Checklist:

**Items include:**

- Registering to provide Pre-ETS Services
- Downloading documentation from current Pre-ETS portal
- Adding new users to VR-CPS

02

## Attending Live System Trainings:

**Scheduling for Late February**

We will host 2 live trainings for Pre-ETS vendors and 1 live training for state staff / YVRCs

03

## Pre-ETS Authorizations & Service Logging

**Targeting a March 1 Go-Live**

Beginning in March, providers should be confirming Group Authorizations for all Pre-ETS participants currently receiving services and begin logging services

04

## Creating Pre-ETS Group Claims

**Beginning of April**

Providers will be creating their first monthly Pre-ETS claims for the services rendered in March.

PCG / BRS will host regular office hours to assist with questions
